

ReactJS HOL 5

Objective

Style React components using CSS Modules and inline styles to display cohort details.

Theory

Need for Styling React Components

Styling improves readability, consistency and user experience.

Benefits of CSS Modules

CSS Modules provide locally scoped styles and avoid naming conflicts.

Inline Styles

Inline styles are JavaScript objects applied using the style attribute for dynamic formatting.

Implementation Steps

1. Open the React application.
2. Create CohortDetails.module.css.
3. Add .box and dt styles.
4. Import CSS module.
5. Apply className and inline styles.
6. Run using npm start.

CohortDetails.module.css

```
.box{
  width:300px;
  display:inline-block;
  margin:10px;
  padding:10px 20px;
  border:1px solid black;
  border-radius:10px;
}
dt{font-weight:500;}
.ongoing{color:green;}
.completed{color:blue;}
```

CohortDetails.js

```
import React from 'react';
import styles from './CohortDetails.module.css';

function CohortDetails(props){
  const headingStyle={color:props.status==='Ongoing'? 'green': 'blue'};
  return(<div className={styles.box}><h3
style={headingStyle}>{props.code}</h3><dl><dt>Started
On</dt><dd>{props.startedOn}</dd><dt>Current
Status</dt><dd>{props.status}</dd><dt>Coach</dt><dd>{props.coach}</dd><dt>Trainer</dt><
dd>{props.trainer}</dd></dl></div>);
}
export default CohortDetails;
```

App.js

```
import CohortDetails from './components/CohortDetails';
function App(){return(<div><h1>Cohorts Details</h1><CohortDetails code='INTADMDF10 -
.NET FSD' startedOn='22-Feb-2022' status='Scheduled' coach='Ashwin' trainer='Jojo
Jose'/><CohortDetails code='ADM21JF014 - Java FSD' startedOn='10-Sep-2021'
status='Ongoing' coach='Apoorv' trainer='Elisa Smith'/></div>);}export default App;
```

Output Screenshot:

Displays styled cohort cards. Ongoing cohorts appear with a green heading, while other cohorts appear with a blue heading.

Cohorts Details

INTADMDF10 - .NET FSD	ADM21JF014 - Java FSD
Started On 22-Feb-2022	Started On 10-Sep-2021
Current Status Scheduled	Current Status Ongoing
Coach Ashwin	Coach Apoorv
Trainer Jojo Jose	Trainer Elisa Smith

Learning Outcome

Applied CSS Modules and inline styles in React.

Conclusion

Successfully styled reusable React components using CSS Modules.
